Welcome to Edgmond Hall

Edgmond Hall is one of four centres that make up Sandwell Residential Education Service. It was bought by Oldbury Council in 1936 and converted a year later. It has been a Centre for residential education for over 80 years!

Edgmond Hall is in Shropshire. It sits on the edge of the historic village of Edgmond. It was originally a Georgian Farm House and still reflects this in the Grade II listed main house and outbuildings. It is set in 45 acres of grounds; including woodland, meadow, orchard and old marshland habitats as well as having playing fields and more traditional gardens.

Accommodation

The main house accommodates up to 60 in comfortable dormitory style bedrooms split over two floors. The toilets and showers are located on each floor next to the bedrooms.

The staff bedrooms are on each floor located close to the dormitories to enable good supervision. There are staff bathroom facilities near to their bedrooms.

Edgmond cottage is situated next to the courtyard opposite the main house with 12 more beds. It is fully accessible for wheelchair users or those with additional needs.

NJS staff have selected the dorms the children are using. They have all been thought of and are with a friend!

Facilities

- Large playing field with adventure play ground
- Boot room and locker room for keeping belongings to use outside
- Dining room, staff room, cloakroom and toilets in the main house
- Indoor classroom spaces, including the large classroom in the old barn
- Indoor games room
- Toilets and handwashing in the courtyard for easy access outdoors
- **NJS will be... Problem Solving, Shelter Building, Orienteering, and having a campfire!**

Meals

Each day there is breakfast, a packed lunch, a cooked evening meal and hot chocolate and a homemade biscuit for supper. Children are well fed and don't need to bring their own snacks!

NJS have selected food options and children do NOT need any food with them!

Staff

We have an experienced and friendly team of tutors and support staff who are dedicated to:

- Providing a friendly, safe, homely environment
- Providing a high-quality educational experience
- Working closely with visiting staff

NJS have these adults going with the children:

Mr Moody, Mr Butler, Mr Tipton, Mr Lawson, Mr Leonard, Mrs Humphries, and Miss Smith.

We all understand issues children have at bedtime and we will do all we can to comfort your child during the stay. A phone call home will be last resort with 11pm as the cut off – if you've not heard by then, then they are fast asleep!
