Computing

- Creating media and vector drawing.
- Children will participate in computer programming—selection in physical computing.

History

Our Autumn topic is the Vikings. During this time, the children will be looking at how the Vikings invaded and what life was like at the time.

PSHE

In PSHE the children will be continuing with 'Jigsaw'. The first half term will focus on 'Being in My World.' The second half term will focus in 'Celebrating Difference.'

Beliefs and Values

- What is wonderful about our Earth?
- Incarnation.

PE

Dance—Children will be working in groups to develop techniques.

Handball— Children will learn the rules and play in groups.

OAA—This is where the children will start to work with others and solve problems. They will develop strength and flexibility.

Art

- Viking Art
- Kandinski 3-D.

Term: Autumn 2023 Year 5

European Countries and Vikings

Topic Overview-

Children will be looking in depth at the Vikings. They will do a lot of independent research into the life of a Viking and how they lived different to us. They will also look at Viking long ships and how they

helped during the invasion. Over the time, they will create time lines, reports and will conduct research.

Courageous Advocate:

- ♦ The children will be learning all about Emmaline Pankhurst and the suffragette movement.

Geography

- Children will learn all about Europe and the countries within our continent. They will use atlases to locate European countries and towards the second half term the children will focus on Eastern Europe.

Music

- Children will learn how to read and compose their own music during the Autumn term.

MFL- French

- Talking about us.
- School subjects.
- Time in the city.

Design and Technology

We will be designing and making Viking purses.
