

25<sup>th</sup> September 2023

Dear families

**Re: BBS Open Evening – Wednesday 4<sup>th</sup> October**

I would like to invite families to our Open Evening next Wednesday, where you will be able to walk around the school and get a feel for the exciting opportunities we have available at BBS. You will also be able to visit departments and talk to staff from department teams. Doors will be open from 5.30 - 8pm.

There will be two talks from myself in the main hall at 6pm and 7pm. You will be able to walk around the school and visit the classrooms which will have department activities to take part in. Students will be on hand to guide you and answer any questions you may have.

Due to our exciting expansion project within our canteen, there is limited access to certain areas of the school until the new year. This does also mean that we will not be able to offer the usual morning tours during the school day following the Open Evening.

To combat this, as part of our new and exciting transition programme, and extended offer to our cluster schools, there will be several opportunities for students to visit the school both during the school day and beyond throughout this academic year. This is a really exciting development as we look to cement our links with our primary schools to ensure that the transition to 'Big School' is as smooth and positive as it can be.

I look forward to meeting you all on Wednesday and welcome you to our ambitious, proud, and caring community.

Yours sincerely

Ben Morgan  
Acting Principal
