Punctuation in Practice

. , ; : ? ' ! " (-) " ...

Add the missing punctuation and capital letters to the sentences below and copy them in your best handwriting:

naz jess and i went to london and saw big ben

rosa why werent you here on monday asked mrs jones

roald dahl 1916-1990 wrote georges marvellous medicine

peter likes swimming nisha likes cycling

at the market i need tomatoes carrots broccoli and onions

jamal took his hamster who was very fluffy everywhere

Copy this paragraph neatly, adding punctuation where necessary. Remember to start a new line when someone new speaks.

it was a wet windy day in the summer holidays and the two boys were bored they went up to toms bedroom would you like to see polly my pet piranha fish ben asked tom er no thanks replied ben backing away rapidly id like to keep all my fingers if you don't mind anyway where did you get her from shes from south america the parana river in argentina to be exact explained tom well now I understand why you are always covered in bandages exclaimed ben despairingly
