

13th October 2023

Dear Families,

I am sure that you are well aware that Burton Borough School will be shortly joining the Learning Communities Trust (LCT). As we build towards joining the trust, we have held a series of information sessions to ensure that all stakeholders have an understanding of how this will help to shape and mould the future at BBS.

On Monday 6<sup>th</sup> November, representatives from the LCT Trust will be coming in from 4.00pm to 5.00pm, to give a presentation to families and answer questions they may have around what this will mean for the school moving forward. As potential future families of students at the school we would like to extend this welcome to our primary catchment and invite those who may wish to attend.

If you would be interested in attending, could you please contact Anna Bailey via email at the following address to show your expression of interest [anna.bailey@taw.org.uk](mailto:anna.bailey@taw.org.uk).

We look forward to meeting you at this event.

Your sincerely,

Ben Morgan  
Acting Principal

John Sullivan  
Chair of governors

Jane Hughes  
CEO LCT trust
