23rd October 2023

Dear Families,

Last week we sent out a letter inviting all families to an information session which will be presented by the Learning Communities Trust (LCT). This will be to provide information, answer any questions parents may have with regard to BBS joining the Trust, and what this will mean for the school moving forward.

The original session will still be on Monday 6th November from 4.00pm – 5.00pm, however, due to parental feedback and demand, we will now be holding a second session on the same evening from 6.00pm – 7.00pm.

If you would be interested in attending either session, could you please complete the following form: <https://forms.office.com/e/CqN2BBg48s> Alternatively, contact Anna Bailey via email at the following address to show your expression of interest anna.bailey@taw.org.uk.

If you have already replied to the 4.00pm session, and are happy to still come at that time, you do NOT need to reply again.

We look forward to meeting you at this event.

Yours sincerely,

Ben Morgan
Acting Principal

John Sullivan
Chair of governors

Jane Hughes
