- Yes
- No

Free text comments made by parents/carers with this questionnaire:

X absolutely loves school and her NJS community.

X is always excited to come to school and has settled in very happily.

Lovely teachers, well behaved friends, warm and safe place to be

X loves coming to school and has got involved in a lot of activities both within school time and club.

Great knowing that the safety of my daughter is one of the key elements at the school.

Positive environment where children feel safe. Consequences for unacceptable behaviour.

Very happy with how recent minor issues have been dealt with

Although X has not encountered this since Y4. I must say the school were incredibly efficient at dealing with the situation.

I know if there are any issues in the future it will be dealt with in the correct manner.

It's great to have newsletters and year updates also verbal updates from the teacher on a regular basis is something as a parent I find useful.

Every step of the way I feel informed.

This school is exceptional at what they offer in extra curricular activities and clubs.

There is an excellent range of clubs. It is much appreciated that staff use their own time to run them.

Amazing offer thank you.

Actions for Newport CE Junior School:

*Continue to review our community understanding of bullying and what parents/carers can expect from school to ensure this is addressed.

*This questionnaire was completed before parents evening however we need to ensure all parents feel informed about their child's learning. Staff to ensure all parents/carers engage in a conversation about their child's learning in the Autumn Term.
