- Flooding
- River dams

English

Children will continue to focus on developing a consistent cursive handwriting style throughout the summer term. Within all English lessons, children will look at various SPAG (Spelling, grammar and punctuation) topics with the aim of being able to use these skills in our writing. We will be looking at an invention narrative, diary entries based on the life of Jacques Cousteau. Another vehicle text comes in the form of 'The whale' where we will look at developing newspaper and persuasive writing skills..
