Wednesday 12th November

Dear Parents/Carers,

As part of this term's Geography topic (Mountains), we have booked for a company called PrimeVR to come and deliver a Virtual Reality workshop day at our school on Friday 28th November.

We think this is a fantastic opportunity for our pupils and will help to bring the Mountains topic to life with a focus on Mount Everest. It should be an amazing opportunity for the children for Mountains to come to life!

(Please note, it is recommended that pupils with epilepsy or pupils who are prone to seizures consult with their doctor before using a VR headset. If your child has epilepsy, is prone to seizures or may not be able to use a VR headset, please consult with a doctor and inform the school reception before signing this permission slip as an alternative device can be provided for accessing the workshop).

To enable this workshop to go ahead we will require a voluntary contribution of £9. This is a voluntary contribution however if insufficient funds are received then the workshop will not go ahead. Permissions and payment will be set up on ParentPay if you wish to pay this way along with providing consent for your child.

If you have any questions, please speak to Mr Marsh at the earliest opportunity.

Thank you for your continued support,

The Year 6 Team
