Dear Parent/Carers

Year 4 Residential Trip to Manor Adventure

We are delighted to launch one of the highlights of the Year 4 calendar, our exciting residential trip to **Manor Adventure at Culmington Manor, Craven Arms** on Monday 12th April to Wednesday 14th April 2027.

At Newport Church of England Junior School, we believe that residential experiences play a vital role in helping children develop confidence, resilience, independence and friendships. Following the huge success of previous visits, we are thrilled to have secured **50 places** for our Year 4 pupils to take part in this unforgettable adventure.

Over three action-packed days, children will enjoy a wide range of exciting outdoor activities designed to challenge, inspire and build teamwork. From climbing and problem-solving challenges to adventure-based activities, the trip provides opportunities for children to step outside their comfort zones, try something new and create lasting memories with their friends.

The total cost of the residential is **£295**, which includes:

- Accommodation
- All meals
- A full programme of activities
- Transport

Parents wishing for their child to attend should complete the sign-up process on parentpay and pay an **initial holding deposit of £20 by Wednesday 30th September 2026**. To help spread the cost of the visit, we will create a payment schedule. All payments should be made via **ParentPay**. Payment reminders will be issued through the school website approximately two weeks before each deadline.

If the visit is oversubscribed, places will be allocated through a fair random draw. Any deposits paid by pupils who are not allocated a place will be refunded in full.

Please note that **all payments are non-refundable**, as per the Charging & Remissions Policy, as we will have committed to accommodation, transport and activity bookings on your child's behalf. Any remaining balance may be refunded if we are able to fill the place from the waiting list.

We are committed to ensuring that all children have the opportunity to take part in this memorable experience. Therefore, pupils who are eligible for **Pupil Premium funding** will be entitled to a **50% reduction in the total cost of the trip**. Further details regarding payment schedules and the discounted contribution will be provided once places have been confirmed.

We want every child to be able to enjoy this fantastic learning experience. If the cost of the trip may present a difficulty for your family, please do not hesitate to contact our School Business Manager, Mrs Jennie Fisher, in confidence. Any conversations will be treated with sensitivity and discretion, and we will always seek to support families wherever we can.

Closer to the trip, we will hold a parent information meeting where we will share the full itinerary, kit list and everything you need to know to help your child prepare for their adventure.

This residential is always a fantastic experience and one that children talk about long after they return. We are looking forward to giving our Year 4 pupils the opportunity to challenge themselves, make new friends and enjoy an adventure they will never forget!

If you have any questions about the visit, please do not hesitate to contact me.

Kind regards

Mr Ben Moody
